PROFESSIONAL SUMMARY

Successful English Teacher with expertise in building engaging English lesson plans. Expert in adapting course materials to meet established standards and academic capabilities of students. Focused on teaching students as part of a comprehensive English program. Talented in motivating students to read and write in order to improve proficiencies.

WORK HISTORY

English Language Course Director at Al-Fayha Private College, Jubail Industrial City. 09/2022 Current

English Language Lecturer 06/1986 -
Royal Commission of Jubail and Yanbu - Jubail Industrial City, Kingdom of Saudi Arabia

Teaching the English language to Jubail industrial College students in the Preparatory Year Program and responsibilities also include curriculum development, coursebook editing, production of audiotapes, and administrative assignments as a Course Director of the Specialization Department. Among my other responsibilities, teaching Royal Commission employees on-the-job training. In addition, translation tasks are also executed from time to time.

I was leading the Toast Master Club at JIC where students are given the chance to improve their communication skills.

English Language Teacher 01/1983 - 05/1986
German Gilda Master Projecta, GMPH - Jubail Industrial City, Kingdom of Saudi Arabia

I was employed by a German company that powered the Human Resources Development Institute. Responsibilities include teaching the English Language to semi-skilled students at the Basic Skills Department to rehabilitate them by studying some basic skills such as surveying, welding, and carpentry.

Pre-graduate English Language Teacher 01/1977 - 12/1982
Ministry Of Education - Hama, Syrian Arab Republic

Teaching the English Language to high school students to upgrade the English language skills to match with the university level requirements.

EDUCATION

11/1981
