

## STEPS FOR ENROLLING IN COURSE

**NOTE:** It is recommended to use the web version of Moodle for the enrollment.

1. Login to fayha Moodle [<https://lms.fayha.edu.sa/>] with your username and password

2. Click on the **Home** button

3. Click **on the course name (Example General Chemistry I EVE)**

The screenshot shows the LMS dashboard with a grid of course cards. The first card, 'General Chemistry I EVE', is highlighted with a red border. Other visible courses include 'Probability and Statistic for Engineering', 'Preparatory Technology', 'Engineering Probability & Statistic', 'Principles of Psychology', 'Engineering Profession I', 'Preparatory Life Skills', and 'General Physico II'. Each card has a 'ReadMore' button.

4. Based on your academic plan and advising, select the course and click on **ENROL ME.**

The screenshot shows the enrollment page for 'General Chemistry I EVE'. The page title is 'General Chemistry I EVE' and the teacher is 'MOHAMMAD ARSHAD'. Under the 'Self enrolment (Student)' section, it states 'No enrolment key required.' and features a red 'ENROL ME' button, which is circled in blue. The footer contains contact information for Al-Fayha College, including phone numbers and an email address.

5. Click on **My Courses** to confirm if the course has been added.

The screenshot displays the 'My courses' page on the lms.fayha.edu.sa website. The page features a navigation bar with 'Home', 'Dashboard', and 'My courses'. Below the navigation bar, the 'My courses' section is titled 'Course overview'. This section includes a search bar, a dropdown menu for 'SORT BY COURSE NAME', and a dropdown menu for 'CARD'. A red circle highlights a course card for 'General Chemistry I EVE First Semester (2023 - 2024)'. The footer contains contact information for Fayha, including phone numbers and an email address.
